- Payment by bank transfer
- When receiving the invoice, the total amount will be transferred, including the above and the bank's service.

Date _____ Signature _____

**** Please refer to our general terms and conditions on the conference website.

Welcome Note

Welcome to COSMODERM XVI!

Dear friends and colleagues,

on behalf of the European Society for Cosmetic and Aesthetic Dermatology (ESCAD) and as chairman of this congress it is my pleasure to invite you to participate in COSMODERM XVI to be held December 9-12, 2010 in Dresden, Germany.

As a part of an international congress series, COSMODERM outlines a forum where clinical dermatologists, academic dermatologists, and scientists have an excellent opportunity to discuss both background and practical impact of ageing, aesthetics and related conditions and diseases, and to experience the latest developments and achievements in technology, technical equipment, and drug development.

Distinguished speakers from Europe and overseas as well as associating societies such as the European Society of Preventive, Regenerative and Anti-Aging Medicine (ESAPM), the Cosmetic Dermatology Society of India (CSI), the German Society for Botulinum Toxin Therapy (DGBT), the Working Committee of Associated Dermatology Institutes (AADI), and the Saxonian Society for Dermatology will ensure a scientific program of highest quality.

Both the latest news and the golden standard in the fields of well ageing and skin care, cosmetic-aesthetic procedures in skin rejuvenation, laser therapy as well as issues of dermato-surgery will be discussed in plenary lectures, symposia and poster sessions.

You are cordially invited to bring your scientific expertise to this conference by submitting abstracts related to the topics of the scientific sessions.
Abstract Deadline will be June 15, 2010.

It is of utmost importance that workshops and hands-on trainings will be provided for the most interested participants. Those who are interested in history of medicine will be surprised to get to know that the hospital in Dresden-Friedrichstadt is one of the first places where aesthetic surgery has been developed in German dermatology.

Besides the scientific contents, the city of Dresden, capital of Saxony, is one of the most attractive cities in Central Europe. Dresden is situated on the banks of the Elbe River, a place where baroque meets the future, a town of culture and science. We will present Dresden with a special flavor to you - the seasonal time when the famous "Striezel" market welcomes more than 2 million visitors from all over the world. Dresden offers to all its visitors a variety of facets, one exceptional is the Church of Our Lady, destroyed in the last days of World War II but reconstructed in the last years as a sign of peace and friendship between people and nations.

I am looking forward to welcome you to Dresden, known as "Florence at the Elbe river" in December!

Uwe Wollina, MD
Congress President

Christopher Rowland-Payne, MD
European Society for Cosmetic
and Aesthetic Dermatology (ESCAD)

The International Aesthetic Dermatology Congress of ESCAD

European Society for Cosmetic & Aesthetic Dermatology

Scientific Sessions

Thursday, December 9, 2010

- S1 Dermato-Endocrinology
- S2 Objective measurements in Aesthetic Medicine
- S3 Adipose tissue (Basics and Applied Science)
- S4 Natural substances in dermatocosmetics and skin care
- S5 Acne & Rosacea
- S6 Ethnic skin in Aesthetic Medicine
- S7 Cellulite
- S8 Skin care and dermatocosmetics for particular age groups
- S9 Hyperpigmentation
- S10 Vitiligo and other hypopigmentations

Friday, December 10, 2010

- S11 Getting started with botulinumtoxin
- S12 Molecular aspects of ageing - the skin as a body mirror
- S13 Getting started with fillers
- S14 Nutrition and skin
- S15 Radiowave surgery & tissue tightening
- S16 Phlebosurgery - Update
- S17 Laser I & PDT
- S18 Hyperhidrosis
- S19 Body art & complications
- S20 Management of scars & keloids
- S21 Tattoo removal
- S22 Beauty concepts & body dysmorphic disorders

Saturday, December 11, 2010

- S23 Laser II & PDT
- S24 Botulinumtoxin for advanced users
- S25 Dental health & surgery
- S26 Filler for advanced users
- S27 Facial surgery
- S28 Management of complications
- S29 New surgical techniques
- S30 Peels & Pearls
- S31 What's new? - a personal view and summary

Abstracts and Workshops

Abstracts

Authors are kindly asked to submit abstracts in English related to the topics of the Scientific Sessions. **Deadline is June 15, 2010.** Please submit your abstracts online via www.cosmoderm2010.de.

Workshops

Hands-on workshops during the conference are planned. For further information please visit www.cosmoderm2010.de.
